Your duty of disclosure

It is the **Insured's** and **Insured Person's** responsibility to answer honestly and with reasonable care all questions posed by **Us** when applying for and throughout the life of this Policy.

Our remedies for misrepresentation

In answering **Our** questions:

- if the **Insured, the Insured Person** or anyone acting on the **Insured's** or the **Insured Person's** behalf provides **Us** with information which the **Insured** or they know is false or misleading;
- if the **Insured, the Insured Person** or anyone acting on the **Insured's** or the **Insured Person's** behalf consciously disregards whether a misrepresentation is false or misleading; or

Insured Person.

In answering **Our** questions if the **Insured, the Insured Person** or anyone acting on the **Insured's** or the **Insured Person's** behalf makes a careless misrepresentation (that is, one that is not fraudulent), **We** may:

- treat this policy as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **We** provided the **Insured Person** with insurance cover which **We** would not otherwise have offered;
- amend the terms of the Policy. **We** may apply these amended terms as if they were already in place if a claim has been adversely impacted by the **Insured, the Insured Person** or anyone acting on the **Insured's** or the **Insured Person's** behalf's carelessness;
- reduce the amount **We** pay on a claim to the proportion that the premium **Insured Person** has paid bears to the premium **We** would have charged the **Insured Person** had the careless misrepresentation not been made;
- cancel the Policy in accordance with **Our** cancellation rights set out at page 21 of this Policy.

In answering **Our** questions if the **Insured, the Insured Person** or anyone acting on the **Insured's** or the **Insured Person's** behalf makes an innocent misrepresentation (that is one that is neither fraudulent or careless) **We** will still pay the claim and **We**

will not treat the Policy as if it never existed.

Reasonable Precautions

The **Insured** and **Insured Person** shall take all reasonable steps to avoid or minimise any loss or damage.
